

Coach's Packet

First off, a big thank you for choosing to play with GPSP this weekend. We know there are many choices on where to play each weekend and it is our goal to do everything in our power to make this a memorable experience for your girls. All of our tournaments will be USSSA and we ask every team be sanctioned with USSSA by going to www.ussa.com. We will also need ALL teams to have their rosters online prior to playing in the event. It will be your responsibility to have your roster online with the correct players playing that weekend. In addition, the USSSA online system cannot award any USSSA points to your team for their placing in the event without that roster online. Once your roster is posted online, the system will retroactively award the points from previous events.

At each park there will be a designated spot to check in and you will be notified prior to playing where check in will be. If needed, game balls will be on sale for \$5.00 each or \$50 per dozen. Each team will be required to supply a USSSA game ball prior to each game. We will need all teams to make sure they have paid us prior to playing your first game. We can't reiterate how important it is to have a team representative check in prior to playing. Please go to www.ussane.com to get our tournament rules for this tournament.

The staff at GPSP wants to make sure your experience with us is dedicated to putting the girls first in everything that we do. It is our goal to provide everyone with an atmosphere that is conducive to youth athletics. This includes good sportsmanship by coaches, fans, and players and will not tolerate anything different.

Thanks,

GPSP
